Request to Secure an ETD for One Year for Patent Purposes

Title of Dissertation:	

Thesis Advisor or Dissertation Director:_____

I request that my ETD be made secure and not available to any readers. I believe some of the work described in my thesis or dissertation is patentable. Please explain.

In accordance with the University Patent Rights and Technology Transfer Policy, I submitted an Invention Disclosure Form to the Office of Technology Management on the following date:______

During the period in which the work is secured for patent purposes, the author agrees not to exercise his/her rights with respect to the thesis or dissertation, including public use in works, without prior authorization by the University of Pittsburgh.
